

Lalley Light and Power

Saves by Preventing Fire

Lalley Light is a complete unit—engine and generator—with 16-cell storage battery. It supplies ample electricity for lights, water pump, washing machines, sweeper, etc.

Every time an oil lamp is lighted in your home—every time a lantern is carried into the barn—there is danger of fire. With Lalley Light, there is no such danger. No matches. No oil. No open flame. No upset lantern. Read how Lalley would have saved a \$1,500 fire.

W. H. Becker, Petersburg, Illinois, says:

"I believe any Lalley Light owner would not do without it for twice its cost. I had a fire loss of \$1,500 caused by coal oil lamp in 1917, which would not have happened with Lalley Electric Light and which loss would have paid for three Lalley Plants."

C. E. Jones, Tabor, Ia., says Lalley is much safer, especially in the barn, where lanterns are ordinarily used.

H. S. Nettz, Griswold, Ia., says the same; and John Dry, Harrodsburg, Ky., says he "never realized what a risk we were taking by using coal oil lamps and lanterns about the house and barn."

"Lalley does away with the danger of fire from lanterns in the hands of hired men," says A. R. Klock, Groom, Neb., and feels safer with his Lalley plant.

Lalley Light is the best fire-insurance you can have, because it removes entirely the danger and the possibility of fire.

Come in and see the Lalley, or telephone us to bring it out to you.

Reasons!

Why you should use
Cardui, the woman's
tonic, for your troubles,
have been shown in
thousands of letters from
actual users of this medi-
cine, who speak from
personal experience. If
the results obtained by
other women for so many
years have been so uni-
formly good, why not
give Cardui a trial?
